

positive impact it has on the young men and women who choose to participate. Every year, Mr. Speaker, I am fortunate enough to have the opportunity to meet with the cadets and cadre of Guam's Junior ROTC units here in Washington. They make their annual journey each Fall to visit our Nation's capital city and learn about the legislative process. I have witnessed first-hand their remarkable growth and enjoy engaging in dialogue with them about their educational experiences.

Mr. Speaker, it is with these thoughts in mind and in proud recognition of their accomplishments, that I offer a whole-hearted congratulations to the young men and women of Guam's U.S. Army Junior Reserve Officer Training Corps (JROTC) program. Their accomplishments and efforts are to be lauded and appropriately acknowledged. I am honored to have been invited to speak at their upcoming Military Ball this Saturday, the 17th of March. I accepted their invitation without hesitation and look forward to personally meeting each one of the cadets and cadre to share in celebration of their success.

These distinguished cadets deserve our praise, our thanks, and our continued support. May the Junior ROTC Program continue to motivate young people to be better citizens. Mr. Speaker, I commend the Junior ROTC cadets and cadre on Guam. We on Guam are proud of their achievement. They have set the example for other units throughout the Nation to emulate. I urge them to keep up the good work and always remember the values instilled and skills acquired through participation in this invaluable program.

TRIBUTE TO THE AMERICAN CHEMICAL SOCIETY

HON. ELLEN O. TAUSCHER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 15, 2001

Mrs. TAUSCHER. Mr. Speaker, I would like to congratulate the American Chemical Society and its more than 163,000 members on their remarkable achievements in chemistry throughout history. ACS was founded 125 years ago. In 1937, Congress charged ACS with advancing the chemical sciences and to promote research, education, and high standards of professional ethics. ACS members have played key roles in expanding the frontiers of knowledge, advancing medicine and industry, and creating products—from aspirin to the Hula Hoop.

Advances in the sciences have given us limitless possibilities to increase our knowledge, to share new discoveries, and to make life better for people across our country and around the world. Chemistry contributes to the safety and quality of our food, the fuel-efficiency of our cars, the speed of our computers, and the effectiveness of our medicines and vaccines. Those achievements wouldn't be possible without the vision and innovation of scientists and engineers.

We must do a better job teaching our children science and mathematics and motivating them to choose careers in these fields. The workforce of the future must be ready to tackle the complex challenges of an increasingly global society. ACS members are passionate about their mission to help educate Americans

in science and technology and introduce everyone—young and old—to the wonders of scientific discovery.

The members of ACS, the world's largest scientific society, will continue to be in the forefront of research and development and science education in a challenging new century. America will benefit from their new discoveries and advances in technology. I join Americans and all people across the globe in celebrating the extraordinary accomplishments of the American Chemical Society and its members on its 125th anniversary.

IN RECOGNITION OF LA TRIBUNA NEWSPAPER

HON. ROBERT MENENDEZ

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 15, 2001

Mr. MENENDEZ. Mr. Speaker, I rise today to recognize a truly special occasion, the 39th anniversary of La Tribuna newspaper. This momentous event in my state's journalism community will be recognized at a gala banquet to be held Friday, March 16, 2001.

In 1962, large numbers of Hispanic immigrants began relocating to New Jersey. At that time, few newspapers were being published in their native language. La Tribuna was one of the first news sources committed to keeping the Spanish-speaking community in touch with its government and the rest of the world.

For thirty-nine years, La Tribuna has shone light on daily events affecting the Hispanic community. Part of the foundation of the United States Constitution is freedom of the press. La Tribuna brings this ideal to life for the Hispanic community on a weekly basis through the paper's commitment to truth and fairness. Whenever and wherever news happens, La Tribuna is at the forefront of articulating events in a concise, non-nonsense manner.

Under the direction of publisher and editor Ruth Molenaar, La Tribuna has grown to be a well-respected member of New Jersey's news community. The people of my District, and New Jersey, are fortunate to have Ms. Molenaar and her staff, including Lionel Rodriguez, providing fair and accurate news coverage. They have been a reliable voice for the Hispanic community for almost two generations.

In recognition of the impact La Tribuna has had on the community, the City of Newark will name a street after the newspaper. The corner of Ferry Street and Niagara Street will be named La Tribuna Street.

It is an honor to have La Tribuna operating in my District. Its efforts have helped our nation's Hispanic community to blossom and flourish. I ask that my colleagues join me in applauding this remarkable organization for all it has done for the Hispanic community.

CELEBRATING CAMP FIRE BOYS AND GIRLS' ABSOLUTELY IN- CREDIBLE KID DAY

HON. VERNON J. EHLERS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 15, 2001

Mr. EHLERS. Mr. Speaker, I ask my colleagues to join me today in recognizing the birthday of the Camp Fire Boys and Girls' Absolutely Incredible Kid Day. Each year, on the third Thursday in March, the day is set aside to help adults communicate better with kids. As part of the celebration, adults are encouraged to send letters of love and appreciation to young people in their lives to show them how much they mean to them. Now in its fifth year, more than 450 million people have been touched by Absolutely Incredible Kid Day.

Absolutely Incredible Kid Day can make a positive impact that will last a lifetime. The campaign has received the critical acclaim of child and family care experts, award winning authors, noted psychologists, and adults and kids everywhere. Celebrities such as Oprah Winfrey, Jim Carrey and Cindy Crawford have also given their support to Absolutely Incredible Kid Day.

In my hometown of Grand Rapids, Michigan the Campfire Boys and Girls West Michigan Council has put an enormous amount of time and effort into this celebration. In addition to having adults write letters to kids they know, the organization is also encouraging adults to write letters for distribution to at-risk youths throughout Grand Rapids. The Council has also organized an extensive public awareness program complete with posters, stickers and stationary to spread the word about this special and important day. I applaud them for making this day a top priority.

Mr. Speaker, I ask that my colleagues, moms and dads, grandparents, aunts and uncles, teachers, mentors and other adults alike take time out of their day today to let a young person know how much they appreciate them. Let them know you care and help make a positive difference in their lives today and everyday by writing a letter of love and support. You'll be glad you did and so will the reader of the letter!

CENTRAL ASIAN REPRESSION AND MISMANAGEMENT ARE THE PROBLEM NOT THE SOLUTION TO COMBATING ISLAMIC EXTRE- MISM

HON. DAN BURTON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 15, 2001

Mr. BURTON of Indiana. Mr. Speaker, those of us who follow events in Central Asia are alarmed by the growing influence of Islamic extremism in Central Asia. As my colleagues are aware, an Islamic insurgency has taken root in the Fergana valley area where the borders of Uzbekistan, Tajikistan, and Kyrgyzstan meet. Reports indicate that this insurgency is being supported and fueled by the fiercely Islamic Taliban in Afghanistan.

So far, Kazakhstan has not been directly affected by this insurgency. However, because
